

Eligibility & Enrollment

ELIGIBILITY

All regular full-time employees working a minimum of 30 hours per week are eligible for benefits. Eligible family members can also enroll in medical, dental, vision and supplemental life coverage.

Eligible dependents include:

- Your legal spouse or domestic partner
- Your children up to age 26 or your domestic partner's children

Contact benefits@Karyopharm.com to fill out a domestic partner affidavit for benefit coverage.

CHANGING BENEFITS AFTER ENROLLMENT

Open Enrollment is available each year in November. During that time, you have the opportunity to make changes to your benefit elections for the next plan year. Changes outside of the Open Enrollment period may only be made if you experience a qualifying event, such as a birth, marriage, divorce or loss of coverage.* You will have 30 days from the date of your qualifying event to email benefits@Karyopharm.com to request to make changes.

**Qualifying life events include: marriage or divorce; legal separation; domestic partnership status change; birth or adoption of a child; change in child's dependent status; death of spouse, child, or other qualified dependent; change in residence due to an employment transfer for you or your spouse or domestic partner; commencement or termination of adoption proceedings; or a change in your spouse's benefits or employment status.*

ENROLLMENT

New Hires: You are given the opportunity to elect your benefits within 30 days after your date of hire. Most benefits coverage begins on your date of hire; however, vision coverage begins the first of the month following your date of hire. Coverage is effective through December 31st unless you have a qualifying life event.

Annual Enrollment: Held in November, this is your once per year opportunity to select or update the employee health benefits that matter to you and your family. The coverage you elect during this period is effective January 1st through December 31st unless you have a qualifying life event. You will enroll in benefits through Sage People.

WHEN COVERAGE ENDS

When you terminate your employment, your medical, dental, and vision coverage end at the end of the month in which you terminate. You will then be offered continued coverage through COBRA. Your life insurance coverage ends on the date of termination. Contact benefits@Karyopharm.com for information about applying for personal direct billed life insurance.

IMPORTANT NOTE

If you wish to request a change in your coverage due to a qualifying event, you must email the HR Team at benefits@Karyopharm.com within (30) days of the date of the event.
